My name is Giuseppe D'Amore aka Pino and I am the proud owner of the Cafe Society Millbank! Born and raised in Italy, I quickly developed a passion for cooking. I have travelled my whole life and this has further deepened my knowledge for food.

I moved to the UK 14 years ago , and initially I prepared Italian cuisine for business clients, celebrities and VIP'S.

I generated business from word of mouth, of this I am very proud. Now at Cafe Society I am able to cook my exquisite dishes daily to the general public, which I love.

My passion starts in the preparation of and continues to the presentation of each dish.

With 5 star reviews on TripAdvisor and hundreds of followers on Instagram, I'm working even harder to bring more delicious dishes to my menu. So come and join us at Cafe Society Millbank , I look forward to meeting you!
